

displays

Solo® provides a full range of pop displays which accommodate 6, 12, 24 or 48 lighters.

Solo's® exclusive eye catching displays are available in a **Solo**® 48-unit counter top model or a **Solo**® 24-unit version which may be wall mounted or placed on a counter top. The **Solo**® 6 tray display is designed to fit underneath a glass case or on a counter top. The **Solo**® 12 unit is a counter top display with a descriptive header card feature.

These pilfer resistant displays accommodate the lighters in clear tubes which allow the customer to view the design details of the lighters from all angles.

These displays will dazzle and entice your customers to **Get Lit** with **Solo**® brand lighters.
